

How can you facilitate the Dutch art sector?

RAAD CULTUUR

The Dutch Council for Culture is the legal advisor of the government in the fields of culture, art, heritage and media.

www.cultuur.nl

Goals of the Dutch Council for Culture are:

- to contribute to a culturally rich society
- to give direction to policies regarding media and culture
- to challenge and encourage the cultural field

The council releases:

- policy advices
- advices on subsidies (BIS)
- analyses and explorations
