

Netherlands - Ukraine Cultural Exchange

From 2017 to 2024, DutchCulture has tracked 190 projects in Ukraine by 124 Dutch makers. These projects took place at 60 venues across 15 different Ukrainian cities. Additionally, the Support Fund for Ukrainian Makers (SFU) has supported the projects of over 100 Ukrainian makers here in the Netherlands.

About the Database

The DutchCulture Database tracks the international cultural activities of Dutch makers. Our data is based on information from our partners at embassies, funds, cultural organisations, and our own research. While we aim to be as comprehensive as possible, our database is not an exhaustive list of all activities. We would like to thank our partners who help provide information for the database.
